1. The temple must be rebuilt seven times, not; **once more**, once, **the time that counts**; inside them is/being me; my ark not, but inside is, also. I love you/me. I love them.
2. They are me/us in/via surrender. The road unchained not; but never were chains on them. **One road not; many leading to me; through me not, one, only one. My highway not, father's. I love you.**
3. See the streams of one accord, and not me, not mine, not; all mine. Is. One. I love you.
4. Think not seeing another but only me/in me and me being me. Now the time/element of me alone/only. See what I am saying/rejecting not, who I am rejecting not; but insertion of me in me and surrender equaling insertion not but coming from the outside not but in, being released/surrendered therein thereto, not of cataclysmic accord not; cataclysmicing all. I love you.
5. This is the me speaking. **All of Israel sees me. Watch me redefine, refine, and accord that which is of me**, that which selects me and rejects me not, never again going their own way creating self with/via self but surrendering me to/inside of me to father be/become. I love you all.
6. **Largesse the house of Israel. In your dreams/ego, not. Watch me/us flow, flower and flourish the lost house of Israel like no one thinks. Diminishing not few; all who reject me; abating that which not me is.**
7. I love you. Loved/hated. I love you still.
